

Leave your accounting concerns in expert hands

Meet our finance and accounting team

Ewa Sadownik Chief Accountant

Accounting professional with over 20 years of experience. She has comprehensive knowledge in the field of accounting and finance - as an independent or chief accountant, financial director and the owner of an accounting office.

Her experience includes bookkeeping for companies in various sectors - including finance, automotive, IT, telecommunications, publishing, construction sector and others.

As the Chief Accountant and Financial Director, she has exercised comprehensive supervision over the entire accounting processes and financial reporting of companies of various business profiles. She also has many years of experience in a full-service bookkeeping role and personnel and payroll services.

Ewa's primarily focuses on process optimisation using modern technological solutions. To this end, she has participated in projects implementing EPR systems (IMPULS EVO).

Klaudia Trościańczyk Finance Manager

Klaudia has over 7 years of experience in finance, management accounting and business analytics. She is a valuable asset for the Board and the managers, providing reliable financial information and plays a key role in management decisions.

Her practical skills are on par with the extensive theoretical knowledge, and she strives continuously to improve the same. To this end, in 2021, she completed her postgraduate studies at Kozminski University entitled "Financial Director".

In the course of her professional path, she was involved in the preparation of annual and multi-year financial plans, budgets and financial statements, as well as the creation and improvement of financial and controlling models. She supervised the correctness and timeliness of keeping accounting books, tax records and all settlement documentation.

She is involved in handling data for financial risk analysis and collaboration with external and internal auditors. She supported management boards in shaping company strategy, decision making and financial planning. In addition, she was in charge of companies' accounting and performed analysis, control and optimisation of company costs.

Maria Fałowska-Kupis Tax advisor, HR specialist

Maria is a Tax advisor with over 20 years of professional experience. She specialises in issues related to tax analyses and opinions on the effects of concluding and performing employment and civil law contracts, including international taxation rules and obligatory social security charges.

She represents clients during tax office inspections in the area of personal income tax and inspections carried out by the Social Insurance Institution (ZUS). She actively implements post-inspection recommendations in the correctness of declarations, determining the basis for calculating contributions, as well as calculating and paying benefits. She provides consultancy and comprehensive HR and payroll services to small and medium-sized entities, operating in various industries, taking into account the specific nature of their employment and remuneration structures.
